Subject - Expenditure on Public Works in the Kolar Town Municipality during the years 1940-41, and 1941-42

In forwarding herewith a copy of a resolution passed by the Kolar Town Municipal Council at their meeting held on 15-10-41, together with a copy of letter No H C 75/41-42 dated 25-10-41, received from the President, Town Municipal Council, Kolar on the above subject, I have the honour to state as follows

A sum of Rs 500/- was first sanctioned by government in their order No L 810-11/M1 123-39-19 dated 18-7-1940 for expenditure on Public works to be executed in the Kolar Town Muncipality during the year 1940-41 On the representation of the Municipal Council requesting sanction to the reappropriation of funds to the extent of Rs 4,286/- to meet the cost of certain public works of an urgent nature, the Government were pleased, in their order No L 6896-9 M1 71-40-6 dated 29-3-41, to sanction a sum of Rs 1200/- only to be met by reappropriation of savings under sanctioned heads of expenditure in the budget estimates of the Municipality for the year 1940-41

But the Municipal Council having further resolved at their subsequen meeting held on 22-4-41, that the total expenditure on public works would exceed the budget allotment sanctioned for 1940-41 by Rs 5,100/- and that sanction of Government might be obtained to meet this excess expenditure from the closing balance of 1940-41, Government were requested in this office letter No A 5 P R 361/40-41 dated 5-5-41 to sanction the resolution of the Municipal Council But after some correspondence a reply was received in your letter No L 171 M1 71-40-12 dated 9-7-41 that the Municipal Council may be ~~requested~~ instructed to provide for the actual

actual amount required in the budget estimates of the Municipality for the year 1941-42 as the year 1940-41 had closed In accordance with these instructions the Government enhanced the budget provision for Public Works from Rs 3000/- to Rs 8,000/- for the current year The President reports that the expenditure actually incurred from Municipal funds on public works during 1940-41 amounted to Rs 5,686/- as noted in the margin as against Rs 1700/- sanctioned by Government and that the entire amount was paid before the end of 1940-41, alone from the sources indicated below

	Rs

Buildings	687
Drains	1899
Sunk garden	2551

(1) Budget provision	Rs 500/-
(2) Reappropriation sanctioned in G O dated 29-3-41	1200/-
(3) Closing balance	3986/-
	5,686/-

The question of utilizing the budget provision of Rs 8000/- sanctioned for public works for the current year having been considered by the Municipal Council at their meeting held on 15-10-1941, they have resolved to spend the amount on 12 works specified in the President's letter and to obtain the requisite sanction of Government thereto These works are reported to be of a very urgent nature but are being deferred from a long time for want of funds The president states that they have now been taken up in anticipation of sanction as per resolution of the Municipal Council and requests that sanction of Government may be obtained to (1) the expenditure of Rs 5,686/- incurred during 1940-41, and (2) the expenditure of R 8000/- to be incurred during the current year

A perusal of the list of public works reported to have been already taken up will show that it includes two items, viz , (1) filling up the moat near the Jubilee hall at an estimated cost of Rs 1,195/- for the formation of a Bus Stand and (2) the Municipal quota of R 600/- towards the cost of the Sunk garden In regard to the first item, a recommendation has been made to Government in this office letter No A 5 C 1066/41-4 dated 1-11-1941 to sanction the entire cost as a grant to the Municipali from the Reserve held under Town Improvement Grants for the current year while the amount of item no 2 namely Rs 600/- has been included in R 2551/- paid out of Municipal funds towards the Sunk garden before the

before the close of the previous year There is, therefore, no need t include these two items in the list of public works to be executed duri the current year at the cost of the Municipality

In the circumstances explained above I recommend that Government may kindly be moved to accord sanction to the resolution dated 15-10-41 of the Kolar Town Municipal Council

I have the honour to be,
sir,
Your most obedient servant

Senior Assistant Commissioner,
for Deputy Commissioner,

Letter No H C 75/41-42 dated Kolar the 25th October 1941 from the Senior Assistant Commissioner and President, Town Municipal Council Kolar, to the Deputy Commissioner, Kolar District

With reference to your memo No1A5 C 3052/40-41 dated 16th July 1941 forwarding a copy of letter No L 771/M1 71-40-12 dated 9th July 1941 from the Law Secretary to Government intimating that the amount of Rs 5,000/- being the cost of execution of certain works in Kolar be met from the Budget Estimates for 41-42, I have the honour to submit as follows --

A sum of Rs 500/- was sanctioned by Government in the Budget for 40-41 under head D 1 Public Works Again a sum of Rs 1200/- was sanctioned by Government towards works as per G O No L 6896-9/M1 71-40-6 dated 29-3-41 In addition to this a sum of Rs 1950/- was sanctioned as Government Grant for the Sunk Garden Donations of Rs 1500/- paid by Mr B F Samiah Setty was also utilised for the Sunk Garden Thus the total allotment for public works sanctioned by Government during 40-41 is Rs 5150/- as follows --

Budget allotment	Rs 500/-
Re-appropriation	1200/-
Government Grant	1950/-
Donations	1500/-
	5150/-

AS against this a sum of Rs 9136/- was actually spent for public works during 40-41 and was also paid for before the end of the official year 1940-41 as follows --

Roads	Rs 549/-
Buildings	687/-
Drains	1899/-
Sunk Garden	6001/-
Total	9136/-

Thus the actual excess over the sanctioned Budget allotment is Rs 3986/- Out of this, a sum of Rs 2551/- represents the amount spent for the Sunk Garden and Rs 1435/- for public works in the town

The condition of the roads and drains in the town is very bad and they deserve immediate attention The total length of the roads is about 37½ miles The town is extending and a number of drains and roads have to be attended to immediately The council in their meeting
